Aloha,

The Rising Phoenix Junior Chamber of Commerce would like to invite your company to be one of the official sponsors for the 2019 Spikes for Tykes Benefit Volleyball Tournament. The event is scheduled for October 26-27, 2019, and will be held at the Manoa District Park. We hope to raise at least \$6,000.00 in sponsorship for this event.

The last tournament we held was in 2017 and we donated \$1,000 to Shriners Hospital to benefit various programs they provide for children.

This year's tournament will benefit an as yet to be determined organization, which will be made available once one has been chosen. We will keep you apprised of the selection process through emails. It will also be a multi day tournament consisting of a men's, women's and co-ed division. Your sponsorship will greatly help us defray the cost of the tournament, so proceeds from the players will go directly towards educational relief for the children of said charity.

The Rising Phoenix Jaycees is a not-for-profit leadership development organization that plans and participates in several community service projects throughout the year. Our chapter also offers its members opportunities in individual development through project management, training workshops, networking mixers, and sports leagues.

We offer several levels of sponsorship for your review and consideration on the second page of this packet. To confirm your acceptance as an official sponsor, please complete the enclosed sponsorship form and either mail the form to the address listed below or e-mail the form to info@spikesfortykes.org by September 25, 2019.

For additional information, please feel free to contact us using the same e-mail.

Mahalo,

The 2019 Spikes for Tykes Tournament Committee
